

Sonos Introductory Bundles

The Sonos ZonePlayer 80 Bundle

Sonos ZP80 Intro Bundle

Inc 2 x ZonePlayer 80 1 x Controller
€ 1,149.00 (inc IVA)

Make your favorite audio devices part of a wireless, multi-room digital music system with two Sonos™ ZonePlayer 80s (ZP80s) and a Sonos™ Controller. Connect a ZP80 to your home theatre, stereo, PC with powered speakers, tabletop radio, and more. Then, control the music on all those devices with the wireless Controller. To hear more music in more rooms, just add on. Includes Sonos System Setup software.

Sonos Digital Music System – Introductory Bundle

Sonos ZP100 Intro Bundle

Inc 2 x ZonePlayer 100 1 x Controller
€ 1,399.00 (inc IVA)

Get started listening to all your digital music in two rooms of your house with two Sonos ZonePlayer 100s (ZP100s) and a Sonos Controller. The ZP100's built-in amplifier and wireless capability will bring music to virtually any room. When you're ready to expand your wireless, multi-room digital music system, simply add more ZonePlayers and Controllers as needed. Includes Sonos System Setup software.

Sonos Digital Music System & Loudspeakers - Introductory Bundle II

Sonos ZP100-SPK Intro Speaker Bundle

Inc 2 x ZonePlayer 100 2 x Speaker Sets 1 x Controller
€ 1,699.00 (inc IVA)

Get everything and we mean everything you need to listen to all your digital music in two rooms of your house. This convenient bundle comes with two Sonos ZonePlayer 100s (ZP100s), a Sonos Controller and two pair of Sonos Loudspeaker bookshelf speakers. When you're ready to expand, simply add more of whatever you need. Includes Sonos System Setup software.
