## Unlimited Broadband Data Cadiz to Trieste for only €270 per month

**e3** Connect has created a new and absolutely unique service for yachts of all sizes cruising Spain, France and Italy.

For only €90 per month, per country we can provide you with an unlimited data service using Vodafone's HSDPA, 3G, and GPRS wireless service.

**THIS IS ONE FULL YEAR'S SERVICE FOR THE PRICE OF ONE MONTH OF VSAT!**

**What's the catch? There is no catch.**

Unlimited data anywhere in Spain, France and Italy, including all the islands

A known fixed price per month in Spain, France and Italy – simple budgeting

Reduced rates when roaming in any other country on Vodafone networks or associate networks even in the Caribbean

Easy to use and install

Modems, routers and Core<sup>e3</sup> Network expertise on tap from e<sup>3</sup>

Suitable for any size of yacht in port at anchor or coastal cruising

This is a unique and never before available service designed by e<sup>3</sup> Connect after 5 years unrivalled experience with 3G

Available through e<sup>3</sup> Connect Resellers and the Ocean Wide Network.

Extensive coverage from Vodafone, one of the world's largest operators

Easy to order – download and complete the Order Form

Easy to pay – by credit card

Centralised control for all the yacht's communications in Palma de Mallorca
